

Before the start of PMP exam, there is a tutorial for 15 minutes, during which the exam format, and other features of the online exam are explained by audio. All these details are available, and it is recommended that the students should be aware of these details before appearing in the PMP exam. During these 15 minutes, it has been permitted by PMI to write notes (cheat sheet) from memory.

The charts contain the material which is recommended to be written during these 15 minutes, as it is important content from the PMP exam perspective. It is essential that it should be understood, and practiced to be written, while preparing for the PMP exam.
